CASE

CARASTYLE with a long history of manufacturing for well known fashion brands continues to bring high quality, innovative products. We've done business with satisfied clients worldwide and we look forward to meeting any custom need you may have. \*MagSafe - Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries and regions

Our design engineers translate your requirements into drawings and prototypes that represent your ideal solution. Together we can determine if we will customize a stock case, or if a completely custom solution is required - including packaging.
